

**Organic Design  
Making Confident Choices  
with Kathy Doughty  
Saturday 26 September  
9:15am (for a 9:30 start) till 3.30pm  
(with a 1 hour break for lunch)  
Cost \$45**

Join Kathy Doughty for a virtual (Zoom) workshop that reflects decades of working one on one with quilters as they select fabrics and learn new skills.

An obsessive quilter herself, Kathy generously shares knowledge gained from her experience as an interactive shop owner, author and designer to open the door to making sound creative choices.

You will enjoy this workshop if you have ever felt confused about where to start, intimidated by technique or frustrated by the same old same old.

This workshop is about considering techniques and ideas for personalising your quilts. It is designed to inspire both beginners and experienced quilters.

Consider creating a medallion, decorative blocks or borders with the skills presented.

At the end of this workshop you will have a strategy for:

- Confident fabric selection
- Easy techniques for satisfying results
- Creating unique elements for your quilts

You will need to register for this workshop on Kathy's website and pay Kathy directly.

***Make sure you include that you are from Bay Quilters in the comments box.***
