

Suggested Size Guide for Quilts from the Heart:

Babies: 30" x 30"

Toddlers and young children: approx. 40" x 48"
(100cm by 125cm)

All others: up to single bed size 50" x 60"
(120 cm x 150 cm)

Please note: This is a guide only.

If you are quilting the quilt and want to join the batting, it is okay to make it 1 or 2 inches longer or wider BUT if you are handing it in to be quilted by another Member, please make it no wider than 50 inches as that is the width of the batting we are using.

We are not quilting double or queen sized quilts.
